ABOUT ME

I am a graduating film student based in Dublin with a passion for post-production in film, yet eager to gain experience in other departments as well. Current interests include editing, assistant directing, script supervising.

Efficient in Adobe Premiere Pro & Audition, Avid Media Composer, Google and Microsoft suits.

PROJECTS

2025

All of Me

Editor

Bringing an observational documentary to life from building the narrative structure to picture lock.

2024

Your Eyes

Producer, AD

Co-developing the premise of the music video with the director, organising the shoots and locking crew members to take part in the production.

2024

Lucky Strike

Producer

Short drama film; locking the cast, the locations, creating production schedules and being in overall charge of the production with no budget (as per the school's requirements) and limited time resources.

2023

Roasted

Director

Developing and bringing to life the concept of a short documentary on coffee culture.
